

Botejyu® 1946

Founded in 1946. A long-established Okonomiyaki restaurant in Osaka boasting a tradition of over 77 years.

Okonomiyaki was born out of the founder's desire to "make something tasty to fill everyone's stomach"

during the postwar reconstruction period, and is now one of Japan's most popular flour-based dishes.

Our store was the first to come up with the idea of adding mayonnaise to Okonomiyaki, which is now a standard.

The original Tondama (Okonomiyaki), is crispy on the outside and fluffy on the inside.

Modernyaki, which is hearty and full of volume, uses the traditional secret thick noodle yakisoba and three kinds of sauces,

Delicious Takoyaki which is crispy on the outside and melty on the inside.

We have a wide variety of authentic Osaka-originating local gourmet dishes handed down from our predecessors.
